Police Community Report – January 19th 2012

During the last week there have been two family violence incidents, sadly which both involved children. It is unfortunate that people do not choose to leave an address before things get heated, as 10 minutes of fresh air can quickly clear the 'air'. With the current focus being in this direction we hope that as the year goes on, people are able to get out of heated situations before doing stupid things, hurting people and ending up in Court.

This week 2 more motorbikes were dealt with for their part riding around where they should not be riding. The motocross track is the place to ride; parents and caregivers; ensure your young people ride where they are meant to be riding.

With high winds and plenty of rain it is no surprise that there have been a number of slips on the roads, trees falling over roads etc. Drivers, when you are travelling, please allow for the bad weather to ensure that you arrive at your destination safely.

Remember if you see anything suspicious or wish to let us know about vehicles with unrestrained children, you can do so anonymously on the crime-line answer phone on 07 8829076. To speak with us directly call 07 882 9070. For all noise complaints call 882 8700 (during office hours) or 0800 866 832 (after hours). In emergencies dial 111. Until next week, take care. Constable Wayne Dickson.

Mangakino Community Agency “Breakaway School Holiday Programme 2012”

The Mangakino Community Agency Breakaway School Holiday Programme is into its second week, we have had some great activities to date. There is still time to register your children if you haven't already done so; forms are available from the Community Agency Office or the Youth Club Base. Next week will be our last week; our programme starts at 10.00am – 3.00pm daily. This programme is funded through Family and Community Services for children 11 – 17 years of age and attending school. The Community Agency has sourced other funding for the 5 – 10 year age bracket. If you register your child there is an obligation for you to give at least one day to assist as a volunteer parent helper, this is to ensure the children are fully supervised.

There is a roster system available for viewing at the Youth Club Base, please have a look at it, put your name down where possible.

A little something extra; we must have some partially dressed children in town, because there are lots of items of clothing left at the youth club, parents/children have a look, if they are left we will give them to charity, this includes clothing from two holiday programmes ago.

See you all next week.
