We're looking after Mangakino's pipes

Taupo District Council will soon be inspecting Mangakino's underground wastewater pipelines to ensure they're up to the high standard the community expects. To do this, we need to access manholes, and many of these are found within people's properties.

We'll be in touch with residents soon with more information about accessing manholes on residential properties, but you'd like to find out more, call us on 0800 ASK TDC (0800 275 832).
