Police Community Report – April 13th

Kia Ora Everyone
Extremely disappointed this morning to come to work hearing of further damage to our golf course. I know the committee there work so hard to ensure this is a top notch facility for our town. Two weeks in a row now and I am gutted.

The golf course attracts people to our town, new people, and allows this community to thrive. You cannot put a cost on the damage caused, the course will have to be shut and cleaned up.

I know that someone in the community knows who did this, someone knows who the lowlife idiot is who drove onto the course and decided it would be a good idea to do some skids. It’s a deliberate act, reckless and the act of someone who doesn’t deserve to even live here.

I encourage that person to be a man, come forward and clear your mind, you will be caught and already we are working on a few suspects.

If anyone knows anything come forward, if you have seen any suspicious vehicles come forward, no matter how small the info is it may be the last piece of the jigsaw we need. I look forward to seeing the community band together over this and really dig deep to fish out the culprits. I also look forward to putting those responsible before the courts.

Fundraising

Hi, I am trying to raise funds for my year in France as an AFS student. If anyone has unwanted empty plant pots, any size, colour or condition, these would gladly be appreciated. I am using them to repot and sell tiny ground covers and succulents. We can pick up pots if you call me or you can leave them at Ned’s Place, Whakamaru. Kind Regards, Zoe Brindle 0279490729.
