Police Community Report – March

Kia Ora Everyone

In recent weeks I have been fairly busy so apologies for not having a Community Report for you

There have been four incidents of holiday homes or garages being broken into on Rimu Street. In one night time incident a neighbour chased three teenaged boys from his neighbours property.

One house in Tanekaha Terrace has been burgled four times this year. In the first three burglaries the offenders stole assorted items including food, coins, alcohol and fishing rods. In the last burglary a number of firearms were stolen. If you have any information let me know or phone through to Crimestoppers. Vacant homes have also been the target of vandalism. One house on Huamai Street that had 18 x windows smashed.

The offenders for these burglaries and the vandalism appear to be kids.

Mercury Energy have reported a number of people trespassing and illegally fishing within Maraetai dam grounds. Staff have caught kids and teenagers during the day while security surveillance caught a mother kneeling with her baby on her lap fishing in the dam canal in the late evening. For those who haven't been there the canal is about 20m wide and there is a straight 10m drop from the ledge where people are fishing from to the swift flowing water. If you fall in there is nothing to grab on to and a fatality is certain.

And as alluded to in a previous newsletter some people are cutting through or climbing over fences and scaling down the embankment to the river to fish. And someone has even dumped household and garden rubbish off one of the side roads leading down to the dam.

Mercury Energy are currently consulting with the Taupo District Council to arrange a community meeting in early September to discuss the many issues mentioned. Keep an eye out in the media, attend the meeting and have a say
